MEDIA INFORMATION

FACILITIES: Media facilities in the Convocation Center consist of an area at floor level on the east side of the court for reporters, broadcasters and photographers, as well as a television-film booth located high on the east side of the arena. There is also a Media Room located on the west side open to the press before, during and after games. Admittance to these areas is by special credential issued only by the ASU Sports Information Office.

CREDENTIALS: Credentials for home games are provided to those members of the media who are covering the game in a full working capacity. Requests with names should be submitted in writing on company letterhead. Passes will be mailed to valid applicants as long as time permits; otherwise, passes may be claimed at the Media Entrance on the east side of the arena. Spouses, dates, children and non-workers are NOT permitted in the media areas. Passes must be displayed at all times, and ASU reserves the right to revoke passes and privileges at any time due to misrepresentation or misconduct. Requests for road-game credentials should be made to the SID of the host institution.

PARKING: A limited number of parking spaces are available to members of the media on a paved lot adjacent to the Media Entrance on the east side of the arena, Lot "A". Display a parking pass to the parking attendant for admittance. Parking is on a first-come, first-serve basis. All parking pass requests should be made to the Sports Information Office.

ENTRY: Media representatives with proper ASU-issued credentials will be allowed to enter the building ONLY at the Media Entrance (ground level, green corner of the arena) on the east side of the Convocation Center. This is also the main entry to the athletic offices and is adjacent to the Media parking area.

GAME SERVICES: Notes, programs, media guides and statistic packets are provided to media personnel by the Sports Information Office. Phones are available in the Media Room as well as light refreshments.

PHOTOGRAPHERS: The arena lighting system is a combination of 1,000-watt and 1,500-watt metal halide lamps with a 150-footcandle level of illumination. Excellent results have been obtained with daylight film. Photographers are not allowed to shoot from in front of the team benches nor from the catwalk

above the floor (for security, insurance and safety reasons). Credentials are required to shoot from courtside. Certified photographers of newspapers, magazines, wire services and TV stations must request passes in writing. No credentials will be issued to freelance photographers.

INTERVIEWS: The head coach will be available for interviews in the media room after each game, following a brief team meeting. ASU student-athletes will also be available by request at this time. The locker room is closed to the media following games. To arrange for a student-athlete interview during the week, contact Chris Graddy at (870) 972-2541. All interviews must be approved by the head coach.

INJURY INFORMATION POLICY: A student-athlete's protected health information is protected by federal regulations under either the Health Information Portability and Accountability Act (HIPAA) or the Family Educational Rights and Privacy Act of 1974 (the Buckley Amendment) and may not be disclosed without either the student-athlete's authorization under HIPAA or their consent under the Buckley Amendment. Authorized/consented injury information pertaining to a student-athlete shall be released to the media through the Department of Athletics Media Relations office after being authorized by the athletic trainer. It is also appropriate in post-game or weekly press conferences for head coaches to announce team injury updates. 2012 SEASON OUTLOOK

As another volleyball season approaches, the excitement surrounding the Arkansas State Red Wolves volleyball program continues to build. There have been changes over the last year that have raised the level of excitement around the program.

The Red Wolves enjoyed a successful 2011 campaign that saw them finish the season with a 20-11 record and 12-4 record in conference play which earned the squad a third straight Sun Belt Conference Western Division Crown and their first Western Division crown outright since 1998.

Building on the momentum from three straight winnings seasons, Director of Athletics Dr. Dean Lee announced Jan. 11 that David Rehr had been selected as the seventh head coach in school history, giving the coach his first Division-I head coaching job after enjoying a successful stint at the junior college level. Rehr came to Arkansas State after serving as the head coach at Blinn College the previous nine years. During his time at Blinn he led the Buccaneers to two NJCAA National Championships (2008 and 2011), was a two-time NJCAA National Tournament Coach of the Year, a three-time AVCA Southwest Region Coach of the Year and a nine-time NJCAA District Coach of the Year.

Rehr worked quickly to establish his first coaching staff, and hired Jessicca Weynand to serve as assistant coach. Weynand previously worked with Rehr at Blinn College where she helped lead the team to the 2011 NJCAA National Championship with a perfect 38-0 record that ended with four-set victory over Western Wyoming in the championship match. Rehr also

added assistant coach Jeremy Thornburg in August to serve as the team's travel coordinator, video coordinator and assistant in the day-to-day operations of the volleyball program.

Upon being named head coach, Rehr immediately began working on his first recruiting class that included a junior college transfer from Pittsburg State and an incoming freshman. The pair will have large task to fill the void left by Cayla Fielder, who was one of the most successful players in A-State volleyball history.

With a strong recruiting class a talented group of returning players the excitement for the 2012 season is high. The Red Wolves return 12 lettermen, including five starters and its libero. Among the returning players are All-SBC second team selections Allison Kearney and Ashley Tipps. Kearney, a senior, is among the best setters in the SBC and ranks eighth on the all-time ASU career assists lists. Tipps enjoyed a career season finishing with career bests in kills, hitting percentage, matches played and a career low in hitting errors.

Senior Jasmine Terry will anchor the front line attack for A-State. In 2011 she was second on the team with 314 kills and a .255 hitting percentage. Junior Shelby Crncic also returns and was among the team's best servers, while seniors Kelsie Hodges, Taylor Coughlin and Amanda Chaparro will provide leadership and will see increased time in 2012.

Libero Megan Baska will anchor the defense after another strong year. She is 11th on ASU's all-time career digs list and had a career-high 40 digs against Alabama-Birmingham which was the third most in the rally scoring era in Sun Belt Conference history.

RED WOLVES' HOME COURTS

The Arkansas State Volleyball program has racked up 238 victories at the Convocation Center in the 24 seasons it has played in the arena. ASU has an amazing 238-65 record (.785) in the building since its opening in 1987. However, the Red Wolves have found a second home... the newly remodeled Health, Physical Education and Sport Science (HPESS) facility on campus. The facility was originally renovated to serve as a practice facility for the A-State men's and women's basketball teams, but its size and setup proved to be the perfect volleyball environment. Arkansas State began play in the HPESS in 2010, starting the new home court off with a 5-2 (.714) record.

The team has had undefeated home records in five seasons, including 2004, when the team was 14-0 at the Convocation Center. The building was built in 1987 at a cost of \$19 million and paid for primarily by the state of Arkansas. The 10,563-seat multi-purpose facility has earned its title as the "Showplace of Northeast Arkansas" over the past 15 years.

The Convocation Center is not only home to the Red Wolves volleyball program, but also the Arkansas State men's and women's basketball programs and the indoor home of the A-State track and field program.

Beginning in 1990, the Convocation Center played host to seven straight conference post-season tournaments, including six straight Sun Belt Conference Volleyball Championships. In 1997, for the first time since ASU joined the Sun Belt Conference, the league's post-season tournament was held in a place other than Jonesboro.

ASU won five of those seven conference tournaments it hosted, going 21-4 in tournament action at the Convocation Center.

Arkansas State has had crowds of over 1,000 for a volleyball match eight times, including a record 4,140 for a match against the University of Memphis on Nov. 25, 1995, that was part of a men's basketball/volleyball doubleheader.

ASU went undefeated in home matches in back-to-back seasons in 1988 (15-0) and 1989 (12-0) and won its first three home matches of the 1990 season to post a 28-match home winning streak the longest in program history. ASU has gone through a season with just one home loss five times, including two years ago in 2009. The other four came in 1994 (11-1), 1995 (15-1), 1999 (14-1) and 2003 (11-1).

Not only does the Convocation Center play host to Arkansas State athletic home events, the building also attracts people from all over Northeast Arkansas and the Mid-South region for a variety of other events—from concerts to conventions, area business expositions and conferences, banquets and university and high school commencements as well.

The Sun Belt Conference enters its 36th season in 2011-2012 with several constants evident during the over three decade span of the league. Success, progress, and academic excellence have always been at the core of the league and in the second decade of the 21st century those constants could not be more clear.

The Sun Belt Conference was founded on August 4, 1976 with New Orleans, South Alabama, Georgia State, Jacksonville, North Carolina-Charlotte and South Florida participating in four men's sports: basketball, golf, soccer and tennis.

With the onset of the 21st century the Sun Belt Conference began sponsoring football at the Division I-A level (now known as the Football Bowl Subdivision) in 2001 and generated an automatic bowl tie-in for its conference champion in the New Orleans Bowl.

Prior to the 2001 season only Louisiana-Lafayette had competed at the Division I-A level for the entirety of its program's history. New members North Texas, Middle Tennessee and New Mexico State would take on the task of maturing into I-A programs along with Arkansas State and football only members Idaho and Louisiana-Monroe.

The conference's automatic berth into the New Orleans Bowl gave the league credibility, but wins would be needed to show that the league could contend at the highest level of the game. North Texas carried that responsibility well in the early years of Sun Belt Conference football. The Mean Green would represent the league for four consecutive seasons in the New Orleans Bowl.

One of the first shining moments in Sun Belt football history came in the second New Orleans Bowl in 2002 when North Texas defeated Conference USA co-champion Cincinnati 24-19.

More memorable moments would soon follow, but not before the league's membership took on additional changes. Utah State joined the league briefly as a football playing member but departed along with Idaho and New Mexico State following the 2004 season. Troy joined the league as a football only in 2004 and would join as an all-sports member soon thereafter. Florida Atlantic joined initially as a football only member in 2005 and would also enter competition in all sports a couple of years later. FIU, a league member since the late 1990s, began competition in football in 2005 and WKU, a longtime league member, began competition in 2009. Louisiana-Monroe, a founding member of the football league, would join as all-sports member as well.

As the Sun Belt Conference evolved with new members and new found success - the league earned two bowl berths for the first time in 2004 - the state of the Football Bowl Subdivision would also evolve. The Sun Belt Conference entered the ranks of the Bowl Championship Series when the BCS restructured prior to the 2006 season.

The Sun Belt Conference now found itself as one of 31 NCAA conferences that sponsor multiple sports, but the league was now one of only 11 to participate in the Bowl Championship Series (BCS).

With that lofty standing, expectations for the Sun Belt Conference are as high as ever and the league and its member institutions have consistently delivered in the past few years.

Because of its status as a member of the Football Bowl Subdivision coalition, the Sun Belt Conference has a permanent seat on the NCAA's 18-member Board of Directors. As a result, the conference has a crucial voice on some of the most pressing issues in college athletics and will always have a role in the implementation of any future NCAA legislation and guidelines.

The conference continues to utilize television to grow and promote the league and its member institutions. The Sun Belt Conference signed a

new multi-year agreement with ESPN, Inc. in January of 2009 that will result in unprecedented national coverage for the league. Additionally, ESPN televised the conference's men's basketball championship game for the 30th straight season in 2010, marking its longest affiliation with any conference in the country.

The conference's regional television partnership with Comcast/Charter Sports Southeast (CSS) and Cox Sports Television (CST) enables live telecasts of Sun Belt events to reach millions of households. The addition of volleyball, baseball and softball to the conference's television package has resulted in more national and regional television exposure for the league than at any time in its history.

The Sun Belt Conference has also partnered with JumpTV Sports, Inc. to deliver a full-service, customized, public and premium website to provide fans with a broad range of real-time information and content about the conference's athletic teams. The Sun Belt is one of the few conferences in the nation to provide video highlights and features on its website from each of the league's respective championships. This technology serves as a great recruiting tool for schools by enabling anyone in the world with internet access to view the conference's championship events.

Success has been easy to find in recent years.

Over the last four seasons the Sun Belt Conference has represented itself well in the football postseason. In fact the Sun Belt Conference boasts a winning record of 4-3 in its seven bowl appearances in the last four seasons. With Middle Tennessee's victory in the R+L Carriers New Orleans Bowl, the Sun Belt Conference has now won four bowl games in its last seven appearances.

Since 2005 football season, the first year after conference realignment, the Sun Belt Conference ranks 6th out of 11 conferences in composite bowl game winning percentage. The Sun Belt Conference set an all-time league high for players selected in the NFL Draft in 2010 with seven total players selected - topping the previous record of five in 2007.

The world has taken notice of the Sun Belt Conference as well. Proof of that comes as the league now has two automatic tie-ins to postseason bowl games. The R+L Carriers New Orleans Bowl recently extended its agreements with the Sun Belt Conference ensuring that a Sun Belt team will play in that bowl game through 2013 (the league has sent a team to that game every year since the game's inception in 2001). The Sun Belt Conference also signed an agreement this past offseason with the GMAC Bowl, played annually in Mobile, Alabama, that will ensure a Sun Belt team plays in that bowl game through 2013. The league also has secondary tie-ins with the Little Caesar's Pizza Bowl, the St. Petersburg Bowl and the PapaJohns.com Bowl.

There has been no shortage of success in the league's other sports as well in recent years.

The Sun Belt Conference has sent at least two teams to the NCAA Baseball Tournament for 22 consecutive seasons. Since 2000 the Sun Belt Conference has sent three teams to the NCAA Tournament in a season six times - that is six times in the last decade that the Sun Belt has been worthy of having three teams in the NCAA Tournament.

In women's basketball, Sun Belt Conference ranked in the top half of the final league RPI rankings for the 2009-10 season - making it the 12th consecutive season that the Sun Belt Conference has placed in the top half of league RPI. Most impressively in six of those 12 seasons, Sun Belt Conference women's basketball has placed in the national top 10 for RPI. The Sun Belt Conference has also sent multiple teams to the Women's NCAA Basketball Championship in two of the last four seasons. This past season UALR and Middle Tennessee both represented the league in the NCAA postseason.

Men's basketball has seen noted highlights as well in recent years, with none greater than Ty Rodger's magical last second three-point shot as WKU defeated No. 5 seed Drake in the first round of the NCAA Men's Basketball Championship in 2008. The Hilltoppers would go on to reach the Sweet 16 that season and followed up with a trip to the second round the following year. South Alabama also reached the NCAA Men's Basketball Championship in 2008 as the Jaguars qualified for an at-large bid.

One of the nation's all-time greatest softball programs resides in the Sun Belt Conference as Louisiana-Lafayette has advanced to the NCAA Women's College World Series on five occasions. Most recently, the Ragin' Cajuns played in the annuals WCWS in 2008.

The Denver women's golf team has been among the nation's best for a number of years as well. The Pioneers held a national ranking throughout the entire 2009 season and capped the year with its first-ever regional championship, winning the NCAA East Regional at the Mark Bostick Golf Course in Gainesville, Fla. Denver came away with a top-five finish in the national competition, taking fifth place at the 2009 NCAA National Championship.

Each of the 19 sports has seen numerous team and individual accomplishments, but in the realm of academic excellence nearly every Sun Belt Conference school is currently graduating its student-athletes at a rate higher than its respective school's student body.

For the third consecutive year Sun Belt Conference student-athletes topped the previous year's record number of Commissioner's List and Academic Honor Roll awards winners. 1,700 Sun Belt student-athletes earned a GPA over 3.0 for the previous school year and were named to either the Sun Belt Academic Honor Roll or Sun Belt Commissioner's List.

Sun Belt schools combined to have 756 student-athletes land on the Commissioner's List, which honors all student-athletes recording a 3.5 GPA or better during the 2008-09 academic year. The league also had a total of 944 student-athletes named to the Academic Honor Roll, which is awarded to those maintaining a 3.0-3.49 GPA.

The total of 1,700 student-athletes that were honored tops the previous highs of 1,503 set during the 2007-08 school year and 1,429 for the 2006-07 school year.

Prominent Sun Belt alumni include former United States Secretary of State Condoleezza Rice (Denver), NFL Hall of Fame football player "Mean" Joe Greene (North Texas), Florida Marlins All-Star baseball player Luis Gonzalez (South Alabama), Boston Red Sox baseball player Mike Lowell (MLB All-Star and 2007 MLB World Series MVP, FIU), former member of the United States Senate and House of Representatives John Breaux (Louisiana-Lafayette), country music superstar Tim McGraw (Louisiana-Monroe), and actor Andy Garcia (FIU).

The conference's first 34 years have also produced numerous individual national champions along with Olympic track medalists including Earl Bell, Tom Hill and Al Joyner (Arkansas State), Hollis Conway (Louisiana-Lafayette), and Tayna Lawrence (FIU). Old Dominion's Anne Donovan, who received the Naismith Trophy recognizing the nation's top women's basketball player in 1983, helped the United States win the Olympic gold medal in 1984 and helped the Lady Monarchs capture the national championship in 1985.

ARKANSAS STATE VOLLEYBALL

2011 IN PICTURES

Arkansas State University was established April 1, 1909, as a "public school of agriculture" by Act 100 of the Arkansas General Assembly. It was located at Jonesboro because citizens of the city bid \$40,000 to the state and pledged 200 acres of land as a site.

After a century of growth, ASU-Jonesboro now has an annual budget of some \$122.6 million, owns more than 3,000 acres of land in five different counties, has a physical plant valued at almost \$200 million, and has an alumni roll exceeding 53,000.

ASU's rapid development over the years has been typical of other major universities in an emerging modern South. From an agricultural high school in 1909, to a junior college in 1918, to a four-year degree-granting institution in 1930, to a university in 1967, ASU has become regionally respected and nationally recognized for its qualities of teaching, research and service.

The ASU system includes campuses at Beebe (White County), Mountain Home (Baxter County), and Newport (Jackson County) where associate degree programs are offered, and at Marked Tree, Searcy and Heber Springs. An instructional site is located at Paragould.

The Jonesboro campus, which occupies 942 acres amid the gentle slopes of Crowley's Ridge in east Jonesboro, is located between the vast and fertile Mississippi River Valley and the cultural and scenic richness of the Ozark Mountains.

More than 10,000 students annually work toward degrees in 141 areas of specialization at the graduate and undergraduate levels. Fifteen undergraduate degrees are offered through the Colleges of Agriculture, Business, Communications, Education, Engineering, Fine Arts, Humanities and Social Sciences, Nursing and Health Professions, Sciences and Mathematics, and the University College. The Honors College was instituted July 1, 2004, evolving from the Honors Program.

Those who have not visited the campus of Arkansas State University in the last five or 10 years would be shocked at the school's appearance today. So much on campus is tied to athletics. ASU Stadium is the gathering site for Saturdays and excitement surrounding each game can be felt for miles. The sights, the smells, the sounds of football.

There is so much construction and new projects on campus. The school looks . . . and is . . . a modern educational institution that has kept up with technology and student needs as much, if not more, than most schools in the nation. A student center addition anchors the campus, and a new student recreation and wellness center was completed last fall.

New campus housing has recently been completed, including a "Collegiate Park" apartment complex, coastal-type soft-colored housing throughout campus, and a new dorm. There is a new Alumni Center and construction of a new overpass connecting the campus to local businesses is about to become a reality. It's a new-look campus that is growing and improving each day.

Arkansas State University is an extremely valuable part of Northeast Arkansas and surrounding areas.

INTERCOLLEGIATE ATHLETICS COMMITTEE

The Intercollegiate Athletics Committee was formed in the spring of 1997.

The Intercollegiate Athletics Committee reviews and makes recommendations on issues involving the welfare of student-athletes, the role of athletics in campus life, and

the athletics program's compliance with the university, conference, and NCAA regulations; serves as a search advisory committee for key athletics program personnel; reviews the role of existing and potential sports programs; and reviews the athletics budget. The committee reports to the Chancellor.

Membership consists of four students appointed annually by the Student Government Association (one should be a student-athlete); four faculty appointed by the Faculty Senate (staggered two-year terms); one Faculty Athletic Representative appointed by the Chancellor (two-year term); one executive staff member appointed by the Chancellor (two-year term); the Dean of University College; two staff members appointed by the Staff Senate (staggered two-year terms); Student Government Association and Student Activities Board presidents; and representatives from the following external organizations: Alumni Association, Red Wolf Club, Letterman's Club, and the Jonesboro Regional Chamber of Commerce ASU Committee. The Director of Intercollegiate Athletics and the Senior Woman Athletic Administrator serve as ex-officio, nonvoting members. The chancellor appoints a chair at the beginning of each academic year.

DR. TIM HUDSON, CHANCELLOR

Dr. Tim Hudson took office as the second chancellor of Arkansas State University in Jonesboro on May 1, 2012. He was appointed by Dr. Charles W. Welch, president of the Arkansas State University System, following a national search process.

Most recently Dr. Hudson was vice chancellor of the Texas Tech University System, after serving as special assistant to the chancellor for International Programs and Initiatives at the University of Houston System. From 2004 until 2010 he was president of the University of Houston–Victoria, following a two-decade career as a professor of economic development, program director, founding dean of the College of International and Continuing Education, and provost at the University of Southern Mississippi. Earlier in his career he was an analyst for the Bureau of Intelligence and Research in the U.S. Department of State.

At Arkansas State University he leads the campus executive team as the institution strives for progressive excellence in academics, research, fiscal management and student life.

Hudson earned a Bachelor of Arts degree in history and Latin American studies and a Master of Arts in geography from the University of Southern Mississippi. His PhD in geography is from Clark University in Worcester, Mass. He has written numerous scholarly works for national and international publications; a recent co-authored book focuses on multinational corporation subsidiaries in China (Chandos, Cambridge).

During his tenure as president of the University of Houston–Victoria, the campus experienced tremendous growth and development including: doubling enrollment and the number of fulltime faculty; exceeding external fundraising goals for five consecutive years; founding a new school of nursing and health professions, which earned full national accreditation on its initial petition; achieving AACSB International accreditation; and ranking first in Texas on the student satisfaction portion of the 2010 National Survey of Student Engagement.

Hudson is the recipient of two Fulbright Fellowships (Germany and Mexico), and an ITT International Fellowship to study in Colombia, South America. He also has developed and led more than 30 programs for U.S. students to study abroad and was awarded an honorary doctorate by London Guildhall University for his contributions to global literacy.

Hudson is married to Dr. Deidra “Dee Dee” Ransburgh Hudson, who holds a Master of Science in speech pathology from the University of Tennessee and a PhD degree in educational leadership from the University of Southern Mississippi. The Hudsons and their children, Gianna Grace, 14, and twins Daisy and Nathaniel, 10, will live in the ASU chancellor’s residence on Nettleton Avenue in Jonesboro.

ASU FACILITIES

Arkansas State University's athletic programs compete in top-of-the line facilities.

ASU Stadium, which opened in 1974, has evolved into a beautiful stadium which seats 30,406 fans. That includes a cluster of exclusive suites in the south end zone atop the football office complex. A million dollar video/scoreboard is the focal point in the stadium.

Coaches and student-athletes moved into a new \$2.7 million track and field complex in spring 2004. It contains an eight-lane 400-meter track and can be set up for two NCAA venues.

Three local country clubs graciously allow ASU's men's and women's golf programs to utilize their facilities for practice and play.

J.A. "Ike" Tomlinson Stadium-Kell Field serves as home to Red Wolves baseball. Built in 1993, the stadium received complete lighting in 1996 and, most recently, 206 field level seats were added for the 2008 season.

ASU's newest women's program, bowling, competes in the newly renovated Paragould Bowling Center.

JONESBORO, ARKANSAS

Jonesboro, home of Arkansas State University, weighs in as the largest city in Northeast Arkansas. As a matter of fact, if you form a triangle by connecting Little Rock, St. Louis and Memphis, Jonesboro stands out as the largest metropolitan city in what amounts to a 17,000 square mile triangular area.

Jonesboro is a great city of 60,000, and is always ready to welcome incoming ASU students from the moment they arrive in town. The booming community has matured over the past half century into a regional center for cultural, educational, industrial, commercial, agricultural, communication, transportation, recreational and medical interests. It contains almost every convenience of a big city and every comfort of a small town.

The community is alive with cultural events such as the art exhibitions, theatrical and musical productions, not only on campus but in the city itself through the Jonesboro Fine Arts Council, NEA Foundation of Arts, the Forum and the Northeast Arkansas Symphony. One highlight is the annual Hispanic celebration when downtown Main Street is transformed into a festive explosion of Hispanic music, food and cultural activity.

Jonesboro is also the medical hub of northeast

Arkansas and southeast Missouri, with two major hospitals and countless medical professionals. The city is also a shopping mecca, offering a modern business district as well as quaint downtown antique shops and restaurants. The \$100 million Mall at Turtle Creek recently opened with more than 100 stores.

One of the five largest cities in Arkansas, Jonesboro is located between the vast and fertile Mississippi River and the cultural and scenic richness of the Ozark Mountains. It is nestled about 70 miles west of Memphis, Tennessee, on the gentle slopes of Crowley's Ridge.

Jonesboro is a comfortable one hour drive from Memphis, two hours from Little Rock and four hours from St. Louis. The city and University have meshed resources in recent years and have truly become the "capital" of the northeast quadrant of the state.

Northeast Arkansas is a recreation haven for the person who enjoys water sports, fishing, hunting, and boating as well as the joys of unspoiled nature. Jonesboro and the surrounding area have an abundance of lakes, rivers, ponds, streams and forests to serve as nature's playgrounds for the avid outdoors person.

And, Jonesboro, ranked by Forbes.com as the 27th "best small place to live" is a nice place to call home.
