#### 2015 Season Preview

The 2015 Red Wolves volleyball team looks to take another step forward after registering a 21-10 record a season ago and appeared poised to take that step as the team lost only one senior from last year's team in Sarah Kemp.

Kemp will be tough to replace as she provided senior leadership combined with a solid allaround game as a player. She led the team with 394 kills (3.58 per set) and was third with 236 digs. Additionally, Kemp also had 38 blocks, 19 assists, and 12 service aces.

All in all, A-State welcomes back 12 letterwinners along with five newcomers and one player that redshirted a season ago.

One of the team's two seniors, Hannah Robey, returns as a defensive specialist after picking up 232 digs a year ago. Jessica Heuertz also returns after recording 177 digs as sophomore in 2014 and is also one of the team's better servers after tallying 18 aces a season ago. Lindsay Cline, who redshirted in 2014, and Nicole Knight also figure to provide depth at the position. Markie Schaedig, who set the school record for digs in a season (762) and led the nation in the category, will play libero for the Red Wolves once again.

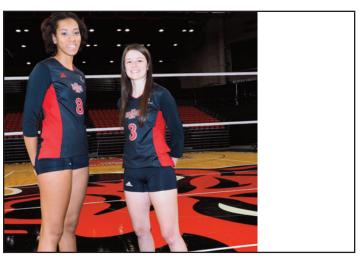

A-State's other returning senior, Kariana Castanon-Hill, will play outside hitter for the team after tallying 156 kills in 25 matches a year ago. Sophomore-to-be Drew Jones is the team's leading returner in kills after registering 298 last year, while Shelby Holmes will look to be more consis-

tent after picking up 69 kills as a sophomore. Brentlee Weaver also returns at outside hitter and proved to be an effective server in limited action as a freshman in 2014. Newcomers Carlisa May, Kenzie Fields, and Alden Weeks will all press for playing time and provide valuable depth.

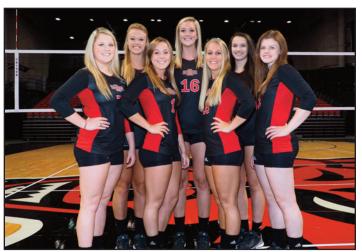

The Red Wolves return three players at the middle blocker position, including sophomore-to-be Jessica Uke, who posted the highest hitting percentage on the team at .363. Kelsey Reis also returns after leading the teams in blocks a year ago with 98. Anna Murphy is also back to provide depth and teams with Reis as the tallest players on the A-State roster (6'3). Redshirt-junior transfer Darby Graff also figures to play a big role at middle blocker for A-State after spending the first three years of her college career at Texas A&M.

Setter Mallory Warrington is back after earning second-team All-SBC honors a season ago and was instrumental in the team's success with 1,188 assists. Warrington was also second in the team with 387 digs and registered 23 double-doubles. Talented freshman Lauren Petersen will back up Warrington and is gifted enough to fill in to keep Warrington fresh.

A-State plays in three non-conference tournaments along with a match against Missouri State on Sept. 9 to prepare for Sun Belt Conference play. The Red Wolves travel to South Alabama Sept. 18 for their conference opener and host UT Arlington Sept. 25 in their home opener at the Convocation Center.

Seniors (From L to R): Kariana Castanon-Hill and Hannah Robey

Juniors (From L to R): Mallory Warrington, Darby Graff, Markie Schaedig, Kelsey Reis, Jessica Heuertz, Shelby Holmes, and Lindsay Cline

#### 2014 Season Review

The 2014 A-State volleyball team enjoyed a successful season in head coach David Rehr's third year at the helm by registering a 21-10 overall record with a 15-5 mark in Sun Belt Conference play, finishing in a tie for second place with Texas State. A-State defeated ULL 3-0 in the first round of the SBC Tournament before falling to Texas State in the semifinals 3-1 to end the season. The 21-10 overall record is the best since the 2011 season and the squad has won at least one game in the conference tourney each year under Rehr (2012-14), the first time A-State has done that since 1998-00.

There were also a number of individual accomplishments for the Red Wolves, led by libero Markie Schaedig's historic season. The Little Rock, Ark., native led the country in digs (762) and digs per set (6.68) with the 762 digs setting a new school record, breaking the previous record of 748 set by Margie Kolat-McGee in 1993. She became the first player in school history to earn American Volleyball Coaches Association All-American honors by being named an honorable mention selection and was the fourth player to earn AVCA Southwest All-Region accolades in program history.

Additionally, Schaedig earned the SBC's Defensive Player of the Year and first-team all-conference honors, while setter Mallory Warrington was named second-team all-conference after dish-

ing out 1,188 assists (10.4 per set). Warrington also led the team in double-doubles with 23 and was second in digs with 387. Middle blocker Jessica Uke led the team with a .363 attacking percentage and won the Sun Belt Conference Freshman of the Week award three times. Outside hitter Drew Jones also won two SBC Freshman of the Week awards and was second on the team in kills with 298. The Red Wolves' lone senior, Sarah Kemp, led the team with 394 kills and won the SBC Offensive Player of the Week award once.

Warrington was also key in A-State's service game as she led the team with 34 service aces, while Kelsey Reis (26) and Markie Schaedig (23) were second and third as the team totaled 140 aces on the year. The team turned in an 11ace performance against Louisiana-Lafayette on Nov. 2 with Jessica Heuertz leading the way with four, while Schaedig added three of her own. The Nov. 2 game against the Ragin' Cajuns was also the contest that Schaedig set the A-State rallyscoring record for digs in a single match as she totaled 42 in the 3-2 A-State win. Reis recorded the most blocks on the team with 98, including a teambest 27 block solos. Uke was second on the squad with 68 blocks (22 block solos). The team registered eight games with 10 or more blocks, including a season-high 17 blocks in a 3-2 win over the Tigers Sept. 6.

### Red Wolves' Home Court

The Arkansas State Volleyball program has racked up 247 victories at the Convocation Center in the 26 seasons it has played in the arena. A-State has an amazing 241-69 record (.782) in the building since its opening in 1987 and has only one season in which it didn't play in the arena (2011). However, the Red Wolves have found a second home in the newly remodeld Health, Physical Education and Sport Science (HPESS) facility on campus. The facility was originally rennovated to serve as a practice facility for the A-State men's and women's basketball teams, but the Arkansas State volleyball has utilized the facility for some home matches in the past several seasons. Since 2011, the Red Wolves have a 15-4 record in the building, including an 8-0 mark in 2011.

The team has had undefeated home records in five seasons, including 2004, when the team was 14-0 at the Convocation Center. The building was built in 1987 at a cost of \$19 million and paid for primarily by the state of Arkansas. The 10,727-seat multi-purpose facility has earned its title as the "Showplace of Northeast Arkansas" over the past 25 years.

The Convocation Center is not only home to the Red Wolves' volleyball program, but also the Arkansas State men's and women's basketball programs and the indoor home of the A-State track and field program.

Beginning in 1990, the Convocation Center played host to seven straight conference post-season tournaments, including six straight Sun Belt Conference Volleyball Championships. In 1997, for the first time since ASU joined the Sun Belt Conference, the league's post-season tournament was held in a place other than Jonesboro.

ASU won five of those seven conference tournaments it hosted, going 21-4 in tournament action at the Convocation Center.

Arkansas State has had crowds of over 1,000 for a volleyball match eight times, including a record 4,140 for a match against the University of Memphis on Nov. 25, 1995, that was part of a men's basketball/volleyball doubleheader.

ASU went undefeated in home matches in back-to-back seasons in 1988 (15-0) and 1989 (12-0) and won its first three home matches of the 1990 season to post a 28-match home winning streak, the longest in program history. A-State has gone through a season with just one loss in the Convocation Center six times, including two years ago in 2012 (3-1). The other five came in 1994 (11-1), 1995 (15-1), 1999 (14-1), 2003 (11-1), and 2009 (8-1).

Not only does the Convocation Center play host to Arkansas State athletic home events, the building also attracts people from all over Northeast Arkansas and the Mid-South region for a variety of other events—from concerts to conventions, area business expositions and conferences, banquets and university and high school commencements as well.

Is the Sun Belt Conference a modern-day fixture among the decision-makers in the ever-changing world of college athletics?

Or is the league a long-time innovator, responsible for advancements in many sports that we now take for granted?

Is the Sun Belt home of an alumni base that includes national and international leaders in the areas of government, business and entertainment as well as athletics?

Or is the conference one that has established itself as a national contender in a variety of sports, and one that continues to evolve in ways that directly benefit its institutions and more importantly its student-athletes?

The answer is yes, yes, yes and yes.

The Sun Belt Conference's "Together We Rise" motto isn't just hyperbole. It's proven fact on many different levels, not the least being its place in the hierarchy of collegiate athletics. As the league prepares to celebrate four decades since its founding in 1976, the Sun Belt occupies a "seat at the table" as a permanent part of the NCAA's 24-member Board of Directors. That alone insures that the conference has a voice in determining the future as college sports continues to change and evolve.

Changing and evolving have been hallmarks of the league since its existence. College basketball might be a shadow of its current self had the Sun Belt not led the way in the establishment of the shot clock. The conference also wrote history at the start of the century when it inaugurated football as a league sport – becoming the first already-existing Division I conference to take such action.

The Sun Belt was originally founded to give home to some of the nation's premier mid-major basketball teams, and the league's history is dotted with success in many different men's and women's sports through its history. But when the desire for a higher national profile and the desire of its membership brought about football sponsorship in 2001, the conference was figuratively reborn, and now stands as one of the 10 premier college football leagues in the country.

And, with the recent debut of the College Football Playoff, the Sun Belt is guaranteed universal access based strictly on performance. A worthy football team in the Sun Belt can be in the national championship picture, and the league is a permanent part of the "Group of Five" conferences (joining the American Athletic Conference, the Mountain West Conference, the Mid-American Conference and Conference USA) that will send its highest-rated champion to a premier Jan. 1 bowl game.

In only 15 years of football, the Sun Belt has earned ties to no fewer than seven bowl games. In addition to the potential of the College Football Playoff, the league has guaranteed spots in the R+L Carriers New Orleans Bowl, the GoDaddy Bowl, the Raycom Media Camellia Bowl and the new Cure Bowl for bowl-eligible teams each and every season. Beginning in 2016, the Sun Belt will also be part of a conference rotation that will send teams to the Popeyes Bahamas Bowl and the Miami Beach Bowl.

No football conference in history has ever boasted as many bowl relationships in its first two decades of existence, but such breakthroughs have been the rule rather than the exception for a league that continues to exceed expectations. Just in the last three seasons, league members have recorded 52 non-conference wins including a record 21 victories outside the league in 2013. The Sun Belt also has a winning record over its fellow "Group of Five" conferences over the past two seasons, and has claimed three bowl victories in those two years.

Gridiron success has grown in the league for several years, but success can also happen overnight. New league member Georgia Southern claimed the Sun Belt football title in its first year in the conference last fall. Appalachian State, another league newbie, rattled off six consecutive wins to close the 2014 football season and finish with a winning 7-5 record. Texas State has finished its two football seasons in in the conference as a bowl eligible team, going 6-6 in its inaugural Sun Belt campaign and then 7-5 this past season.

Football, though, is by no means the only hallmark of success for the league. Just this past season, Georgia State knocked off third-seeded Baylor in the NCAA men's basketball tournament and Little Rock defeated sixth-seeded Texas A&M in the women's NCAA tournament . With the league's postseason tournaments headed back to the conference's home city, the "Big Easy" of New Orleans, and a plethora of standouts returning for this season, the league is poised for another successful hoops season.

Baseball and softball continue to put the league in the national spotlight during the spring season, with deep runs into postseason play and high visibility in the national polls becoming a tradition. UL Lafayette's baseball team was the nation's No. 1 team in the final third of the 2014 season and has reached the NCAA Super Regional round each of the past two years, while the UL Lafayette softball team has advanced to the Super Regional three straight years including a trip to the 2014 College World Series.

Many league sports have made statements on the national level, and that is a tribute to the university and athletic administrators that serve both the league institutions and the student-athletes at each school. That this level of success comes at a time of sweeping change in collegiate athletics adds even more to these accomplishments.

With those changes, opportunities for student-athletes to succeed both on and off the field have never been greater, and the Sun Belt is well positioned in the areas of scholarship, student welfare and academic success. During the 2014-15 academic year alone, Sun Belt member institutions awarded nearly \$50 million in scholarship funds to over 3,084 student-athletes while also contributing over \$2 million from the Student Assistance Fund (SAF) to over 1,779 student-athletes.

The league and its institutions rewrite the Sun Belt's record book each year in grade-point averages and academic honors, and member schools' success in the NCAA's APR rankings provide even more proof of the league's academic commitment. In 2015, the conference doubled the number of teams that received NCAA Public Recognition Awards, given to teams that post APR scores in the top 10 percent of their sport, as 14 teams were among the national honorees compared to seven in 2014.

"We have never been as strong as we are now academically and financially, and I believe we are getting stronger all the time athletically," said former Sun Belt Conference president and Troy University chancellor Dr. Jack Hawkins, Jr. recently. "I truly believe the best is yet to come."

The strength of any league lies in its membership, with the Sun Belt's 11-school football membership including Appalachian State, Arkansas State, Georgia Southern, Georgia State, Idaho, UL Lafayette, UL Monroe, New Mexico State, South Alabama, Texas State and Troy. Little Rock and UT Arlington compete in all sports as non-football members while Idaho and New Mexico State are football-only members. Those members give the Sun Belt a mix of the "old" and the "new", with many long-time Sun Belt institutions continuing to have success and a solid corps of conference newcomers ready to make their marks on the league and national levels.

The varied campuses and locations reflect another league strength – its diversity. The mix of regions and regional cultures provide a rare opportunity for the league's student-athletes to experience many environments. But those same student-athletes can also experience that without leaving their own campuses.

For every All-Pro linebacker DeMacus Ware (Troy) and Walter Payton NFL Man of the Year Charles Tillman (UL Lafayette), and for every World Series MVP David Freese (South Alabama) coming from Sun Belt campuses, there are also U.S. presidents (Lyndon Johnson, Texas State), business icons (Chick-fil-a president Daniel Cathy, Georgia Southern), nationally-known entertainers (Tim McGraw, UL Monroe, and Ludacris, Georgia State), and there is royalty (Miss America Debbye Turner, Arkansas State).

These proud alumni, as well as the thousands of student-athletes and staff members at all of its institutions, are proof that the Sun Belt Conference continues to gain stature and provide the promise of future success with every sunrise. "Together We Rise" has never been more appropriate.

line facilities.

Centennial Bank Stadium, which opened in 1974, has evolved into a beautiful stadium which seats over 30,000 fans. The stadium has undergone a "Centennial Expansion" construction project that covers 40,000 square feet, including the press box and concourse.

The 192,000 square-foot Convocation Center is a multipurpose facility that is home to the A-State basketball, vol- women's tennis facility, which houses both squads' locker leyball and indoor track and field teams.

Coaches and student-athletes moved into a new \$2.7 mileight-lane 400-meter track and can be set up for two NCAA venues.

Three local country clubs graciously allow A-State's men's and women's golf programs to utilize their facilities for practice and play.

J.A. "Ike" Tomlinson Stadium-Kell Field serves as home to Red Wolves baseball. Built in 1993, the stadium received complete lighting in 1996, 206 field level seats were added for the 2008 season and a new scoreboard was installed in 2011.

A-State's newest women's program, bowling, competes

Arkansas State's athletics programs compete in top-of-the in the Jonesboro Bowling Center and is currently in construction to add a players' lounge, pro shop, and offices for the Red Wolves.

> The Red Wolves' soccer and track and field teams utilized the same stadium for the first time in school history during 2014-15, as the soccer field was relocated as part of the track facility.

> A-State has also completed a new women's soccer and rooms, training room, offices and more.

Facilities have received a number of facelifts since Dilion track and field complex in spring 2004. It contains an rector of Athletics Terry Mohajir's arrival in 2012, making sure that the athletic department's "front door" and other sports areas possess a first-class appearance.

> A-State has completed, is in the process of completing and has committed a combined \$60 million in construction and facility renovations since Mohajir's arrival, including stadium lighting and seats at Centennial Bank Stadium. Also included in the upgrades have been renovations and updates inside the A-State Football Facility and weight rooms, locker rooms and training rooms at both Centennial Bank Stadium and the Convocation Center, where new seating has also been installed.

### Jonesboro

Jonesboro, home of Arkansas State University, weighs in as the largest city in Northeast Arkansas. As a matter of fact, if you form a triangle by connecting Little Rock, St. Louis and Memphis, Jonesboro stands out as the largest metropolitan city in what amounts to a 17,000 square mile triangular area.

Jonesboro is a great city of over 70,000, and is always ready to welcome incoming A-State students from the moment they arrive in town. The booming community has matured over the past half century into a regional center for cultural, educational, industrial, commercial, agricultural, communication, transportation, recreational and medical interests. It contains almost every convenience of a big city and every comfort of a small town.

The community is alive with cultural events such as the art exhibitions, theatrical and musical productions, not only on campus but in the city itself through the Jonesboro Fine Arts Council, NEA Foundation of Arts, the Forum and the Northeast Arkansas Symphony.

Jonesboro is also the medical hub of northeast Arkansas and southeast Missouri, with two major hospitals and countless medical professionals. The city is also a shopping mecca, offering a modern business district as well as quaint downtown antique shops and restaurants. The \$100 million Mall at Turtle Creek recently opened with more than 100 stores.

One of the five largest cities in Arkansas, Jonesboro is located between the vast and fertile Mississippi River and the cultural and scenic richness of the Ozark Mountains. It is nestled about 70 miles west of Memphis, Tennessee, on the gentle slopes of Crowley's Ridge.

Jonesboro is a comfortable one hour drive from Memphis, two hours from Little Rock and four hours from St. Louis. The city and University have meshed resources in recent years and have truly become the "capital" of the northeast quadrant of the state.

Northeast Arkansas is a recreation haven for the person who enjoys water sports, fishing, hunting, and boating as well as the joys of unspoiled nature. Jonesboro and the surrounding area have an abundance of lakes, rivers, ponds, streams and forests to serve as nature's playgrounds for the avid outdoors person.

And, Jonesboro, ranked by Forbes.com as the 27th "best small place to live" is a nice place to call home.

## INTERCOLLEGIATE ATHLETICS COMMITTEE

The Intercollegiate Athletics Committee (IAC) was formed in the spring of 1997.

The IAC reviews and makes recommendations on issues involving the welfare of student-athletes, the role of athletics in campus life, and the athletics program's compliance with the university, conference, and NCAA regulations; serves as a search advisory committee for key athletics program personnel; reviews the role of existing and potential sports programs; and reviews the athletics budget. The committee reports to the Chancellor.

Membership consists of four students appointed annually by the Student Government Association (one should be a student-athlete); four faculty appointed by the Faculty Senate (staggered two-year terms); one Faculty Athletic Representative appointed by the Chancellor (two-year term); one executive staff member appointed by the Chancellor (two-year term); the Dean of University College; two staff members appointed by the Staff Senate (staggered two-year terms); Student Government Association and Student Activities Board presidents; and representatives from the following external organizations: Alumni Association, Red Wolves Foundation, Lettermen's Club, and the Jonesboro Regional Chamber of Commerce ASU Committee. The Director of Intercollegiate Athletics and the Senior Woman Athletic Administrator serve as ex-officio, nonvoting members. The chancellor appoints a chair at the beginning of each academic year.

### ASU System President Dr. Charles L. Welch

Dr. Charles Welch serves as president of the Arkansas State University System and has emerged as one of the state's leading advocates for higher education.

Dr. Welch was named the second president of the ASU System in November 2010 and officially began his new position in April 2011. He is the youngest person to ever serve as president or chancellor of an Arkansas community college, is the youngest university president in Arkansas, and is one of the youngest college presidents in the United States.

During his tenure, Dr. Welch has hired new chancellors for four of the system's five main campuses. Among the system's major expansion initiatives are the first American-style university campus to be built in Mexico and the planned New York Institute of Technology Col-

lege of Osteopathic Medicine site in Jonesboro. Under his leadership, the ASU System office was relocated to Little Rock to enhance its statewide exposure and position in higher education leadership at the State Capitol.

Dr. Welch is chairman of the board of the Arkansas Association of Public Universities, as well as co-chair of the executive council of the Arkansas Department of Higher Education. He previously served as president of Henderson State University, chancellor of the University of Arkansas Community College at Hope; vice chancellor for academic affairs at ASU-Beebe; and dean of university studies at Pulaski Technical College. Welch also worked at the University of Arkansas at Little Rock and has served as an instructor of education and political science at three different colleges in Arkansas.

A native of Jonesboro, Ark., Dr. Welch was a first-generation college student and the first member of either side of his extended family to receive a graduate degree. He received a Bachelor of Arts degree in political science from the University of Arkansas, where he served as president of the student body. He received a Master of Arts degree in political management from George Washington University and a Doctor of Education degree in higher education administration from UALR.

His experience in the governmental affairs arena includes serving as a White House intern and on the staffs of U.S. Sen. David Pryor and U.S. Rep. Blanche Lincoln.

He is a past president of the Arkansas Association of Two-Year Colleges, is a former board member for the Arkansas Sheriffs' Youth Ranches, and was recently inducted into the Arkansas Boys State Hall of Fame. AY Magazine named Welch as one of the "Powerful Men of 2013," and in 2005, Arkansas Business selected Welch to "40 Under 40," which profiled 40 "intriguing business and political leaders under age 40." He also has been active in the communities where he has worked, serving on a variety of local and regional boards and committees.

Dr. Welch and his wife, Mandy, are the parents of three daughters: Wheatley Grace, Emma Caroline, and Ava Claire.

### A-State Chancellor Dr. Tim Hudson

Leading initiatives to define Arkansas State University as a destination university, Dr. Tim Hudson begins his fourth year as the chancellor. Since his appointment in 2012, Arkansas State has launched projects that have transformed the Jonesboro campus.

The completion of more than \$150 million in facilities enhancements, ranging from the opening of the first new academic instructional facility in a generation to the expansion of Centennial Bank Stadium, marks Hudson's first years at A-State. His commitment to enhancing student life on the campus including new living-learning communities, the opening of Sorority Row and the dedication of the indoor Student Activity Center have led to the largest on-campus population in university history and record levels of student life engagement.

His vision for the creation of public-private partnerships to enhance Arkansas State led to plans to establish the first American-style university campus in Mexico, and an agreement to join with New York Institute of Technology to locate a second teaching site of NYIT's College of Osteopathic Medicine in Jonesboro. Preparing the next generation of leaders with a commitment toward a global mindset is a high priority for Hudson; significant growth in the university's study-

abroad opportunities for A-State students is a result.

Hudson has welcomed the most academically prepared freshman class to A-State each of the past three years, with rising first-year freshman ACT and high school GPAs, along with record numbers of students who select the Honors College curriculum. Under his administration, Arkansas State made progress for faculty as well by achieving or surpassing its Southern Regional Educational Board peers in average pay for full, associate and assistant professors by 2014.

His leadership within the Sun Belt Conference was recognized in the spring of 2015 when he was appointed vice president of the Executive Committee at the close of the league's annual meeting in Montgomery, Ala.

Hudson joined A-State from the Texas Tech University System, where he was a vice chancellor. From 2004 until 2010, he was president of the University of Houston-Victoria following a two-decade tenure as a professor of economic development, program director, founding dean of the College of International and Continuing Education, and provost at the University of Southern Mississippi. Prior to working in academia, Hudson served as an analyst for the Bureau of Intelligence and Research in the U.S. Department of State.

He received his Bachelor of Arts degree in history and Latin American studies and a Masters of Arts in geography from Southern Miss. Hudson earned his Ph.D. from Clark University of Worcester, Mass. He has written numerous scholarly works for national and international publications, including a recent co-authored book focusing on multinational corporation subsidiaries in China (Chandos, Cambridge).

Hudson was the recipient of two Fulbright Fellowships (Germany and Mexico) and an ITT International Fellowship to study in Colombia. He has developed and led more than 30 programs for U.S. students to study abroad and was awarded an honorary doctoral degree by London Guildhall University for his contributions to global literacy.

He is married to Dr. Deidra "DeeDee" Ransburgh Hudson, who is the head of A-State's Office of Study Abroad; she holds a Master of Science degree in speech pathology from the University of Tennessee and a Ph.D. in educational leadership from Southern Miss. The Hudsons have three children, Gianna Grace, 17, and twins Daisy and Nathaniel, 13.

Appointed on May 1, 2012, by ASU System President Dr. Charles L. Welch, Hudson is the second chancellor in Arkansas State history.

### A-State Director of Athletics Terry Mohajir

Terry Mohajir became the 11th Director of Athletics in A-State history on September 19, 2012, and since that time the Red Wolves have enjoyed unprecedented overall success academically, competitively and financially.

Since being named director of athletics, Mohajir (pronounced MO-HODGE-ER) has adopted an "ALWAYS RISING" slogan as an expansion on the popular "RED WOLVES RISING" cam-

paign. With that theme in mind, the Arkansas State alumnus has instituted sweeping changes, created new policies, produced record-breaking fundraising totals, overseen significant facility upgrades and implemented creative philosophies that have put the Red Wolves on course to strengthen their national brand. During his brief watch, the Red Wolves have accomplished numerous firsts in both academics and athletics accomplishments.

Since his arrival to A-State, the Red Wolves have claimed two Sun Belt Conference football championships (2012-13), won the league's West Division in men's basketball (2012-13) and picked up conference titles in women's indoor track and field (2013), women's cross country (2014), women's basketball (2013-14), men's indoor track and field (2015) and women's outdoor track and field (2015).

Arkansas State had its first female student-athlete ever win an individual national championship and its women's athletics program claimed its highest finish all-time in the Capital One Cup standings, earning a prestigious top-50 award for ranking No. 44 among all NCAA Division I programs during 2013-14. The No. 44 ranking was the highest ever by a Sun Belt Conference women's program. The Red Wolves narrowly missed a top-50 award for the second consecutive year in 2014-15, finishing ranked No. 56 in the nation. The ranking was the program's second highest ever.

The 2013-14 athletics year also saw A-State enjoy its highest ever finish in the Learfield Sports Director's Cup standings, ranking No. 1 in the Sun Belt Conference and No. 83 in the nation among 297 schools. The Red Wolves' finish not only set a school record, it topped the program's previous high of No. 134 set in 1999-2000 by 51 places.

Thrust into a football coaching change at the end of the 2012 regular season, Mohajir responded with one of his first major acts as athletics director by appointing an interim head coach and keeping the entire assistant coaching staff in place for the 2013 Go-Daddy.com Bowl. The Red Wolves went on to claim their first bowl victory since 1970 and their first win over a top-25 ranked opponent since joining the FBS in 1992. Faced with a head football coaching change following the 2013 regular season as well, Mohajir guided A-State through the process again by keeping the assistant coaching staff in place and giving the Red Wolves everything needed in order to pick up a second consecutive Go-Daddy Bowl win.

Mohajir conducted two national searches for a new head football coach that resulted in the hiring of Bryan Harsin at the end of 2012 and Blake Anderson a year later. Both hires were heralded by the national media as some of the best in the country.

Mohajir's candid media interviews and engaging public speaking appearances have captivated the Red Wolves fan base, but his actions in a short amount of time have also reflected his vision to take A-State Athletics to new heights.

The primary development arm of A-State Athletics, formerly known as the Red Wolf Club, has been renamed the Red Wolves Foundation and a new logo has been introduced as part of a rebranding effort. The changes have been in conjunction with new and exciting initiatives that have been put in place, including a Red Wolves 500 program designed to make a significant impact on donor relations and fundraising opportunities. The positive results are evident with a 103 percent increase in the foundation's total revenue earned, while A-State has also achieved its highest spot ever in the Collegiate Licensing Company's (CLC) rankings and set school records for both football total season ticket sales and season ticket revenue.

The athletics department's budget increased 31 percent from fiscal year 2012-13 to 2013-14, and Mohajir's goal to reach a \$20 million operating budget after five years was achieved in just two years. Under Mohajir's watch, A-State Athletics placed seventh nationally in the 2013 Excellence in Management Cup, which annually reviews the nation's athletics departments in regards to maximizing fiscal resources while providing results in the form of championship victories.

Mohajir has made it a point to engage the fan base, stressing the importance of fan experience through avenues such as court-side seating at basketball games, enhancing game-day atmosphere and ensuring that staff go out of their way to extend every fan their assistance. The most recent change in this area has been to Centennial Bank Stadium, where a new approximately 1,600 square foot LED Daktronics scoreboard was installed for the 2014 season.

The value he places on the student-athlete has been evident, creating the inaugural stAte Awards held at the end of each year to celebrate both their academic and athletic accomplishments. He was behind the development of a student-advisory group that encompasses everything from a student-athlete mentorship program to fostering leadership in the community. The Red Wolves Leadership Academy program (RWLA) was designed with the sole purpose to obtain 100 percent job placement for all the athletics department's student-athletes upon graduation, and that key initiative has been achieved.

The RWLA continues to strengthen with a new study abroad component added to foster global awareness, which is often cited by employers as a positive attribute they seek. This past summer, Arkansas State student-athletes took part in the first study abroad program offered by any university and their athletics department in the nation. The program goes hand-in-hand with the RWLA's primary purpose to obtain 100 percent job placement for all its graduating student-athletes.

The Red Wolves also saw their academic performance reach an all-time high during record-setting 2013 and 2014 fall semesters, which saw student-athletes achieve the best two ever all-department GPA's in back-to-back years. A-State achieved a 3.047 all-department GPA in the fall of 2014, the same semester a school-record 208 student-athletes were named to the Athletics Director's Honor Roll.

Additionally, A-State posted its best ever department-wide APR score according to the latest data, which also saw the football program show the largest margin of improvement in the nation among FBS programs as it jumped from a 902 to a 964.

rival as well, making sure that the athletic department's "front door" and other sports areas possess a first-class appearance. A-State has completed, is in the process of completing and has committed a combined \$60 million in construction and facility renovations since Mohajir's arrival, including stadium lighting and seats at Centennial Bank Stadium. Also included in the upgrades have been renovations and updates inside the A-State Football Facility and weight rooms, locker rooms and training rooms at both Centennial Bank Stadium and the Convocation Center, where new seating has been installed.

The Red Wolves Foundation received a \$5 million gift commitment from alumnus Johnny Allison for a renovation to its "Centennial Expansion," and it is the largest individual donation in A-State Athletics history. The construction and renovation project to the stadium's press box and west-side concourse covers 40,000 square feet.

Additionally, a 78,000-square foot Student Activity Center (SAC), which also serves as an indoor practice facility for A-State sports, has been constructed on the north side of Centennial Bank Stadium. The approximate cost was \$11 million for construction of the center and the relocation of the soccer complex.

He is overseeing the fundraising efforts for a \$24-million football facility project in Centennial Bank Stadium's north end zone as well. Committed to Title IX and gender-equity initiatives, A-State has worked to improve coaching staff sizes and salaries, operation funding and facilities under Mohajir. Among the upgrades, A-State has completed a new women's soccer and women's tennis facility, which houses both squads' locker rooms, training room and more.

His philosophies on scheduling have been well documented, and they have resulted in home-and-home games with nationally-prominent programs such as Missouri and Miami for the first time in A-State history. He has capitalized on the Red Wolves recent success by gaining additional games against teams such as Southern Cal, making A-State the first Sun Belt program to schedule a football contest against the Trojans.

Mohajir was recently appointed as the Sun Belt Conference's representative on the College Football Playoff Athletic Director's Advisory Board, acting as one of 10 athletics directors from FBS conferences on the board. He was also asked to serve on the NCAA Division I Championships Cabinet and the NCAA Division I Football Issues Committee.

Mohajir continues to evaluate and process information to complete a national-branding campaign, but has already started building a strong foundation for the future of A-State Athletics.

Mohajir's career path went through three other NCAA Division I institutions, including the University of Missouri-Kansas City, Florida Atlantic and Kansas, before leading him back to his alma mater.

Mohajir's wealth of experience, history of success working with a university in A-State's current conference and his noted accomplishments at a BCS automatic qualifying school made him a clear choice to take over the reins at Arkansas State.

Mohajir has gained national respect in collegiate athletics while working with some of the finest administrators and coaches in the country, such as former FAU, Louisville, Miami and Oklahoma head football coach Howard Schnellenberger.

The Overland Park, Kansas native has been involved with major fundraising campaigns at multiple universities, while also overseeing corporate sales, marketing promotions and ticket sales. Prior to A-State, he most recently served 16 months as Kansas' Senior Associate Director of Athletics and Chief Marketing Officer. Prior to his time with the Jayhawks, he spent a seven-year stint as Florida Atlantic's Senior Associate Director of Athletics for External Relations from 2004-11 after working at UMKC from 1997-2004 as its Assistant Director of Athletics for External Relations.

Mohajir worked at Kansas in a variety of capacities during two different stints, but his latest stop in Lawrence saw him assume responsibility for the Williams Education Fund that totaled over \$22 million in revenue for the fiscal year 2012. He supervised the athletics department's areas that generated over \$40 million in revenue. In addition, Mohajir oversaw Kansas' multimedia rights partnership for IMG. His most recent role as Chief Marketing Officer was heavily focused on the market strategies for the proposed football stadium renovations.

Mohajir went to Kansas from his position at Florida Atlantic, where he oversaw development, marketing, ticket sales, corporate sales and the media relations department. Foremost among his responsibilities was a fundraising campaign for a \$70 million on-campus football stadium. His astute project management helped the Owls' football program reach the 2007 New Orleans Bowl in just its fourth year as an FBS program, an NCAA record for the fastest start-up program to go to a bowl game. During his tenure, FAU's athletics department enhanced its major gift program 800 percent, Owl Club giving increased 400 percent and special-events revenue increased 150 percent.

Mohajir's original connection to KU dated back to the early 1990's, when he was a graduate assistant, an assistant offensive line coach and game-day special team's football coach for the Jayhawks (1993-96). He left Kansas in 1997 but didn't go far, staying in the Kansas City area to take over his administrative position with the newly-created Division I UMKC Athletics program. There he supervised marketing and promotions, sports information, fundraising, radio and TV contracts, corporate sales, tickets, event operations, sports medicine, strength and conditioning and men's soccer.

Under his leadership, the Kangaroos saw dramatic increases in endowment, sponsorships, ticket revenue and its donor base. One of his more visible accomplishments at UMKC was the fundraising and construction efforts for a new training room and strength and conditioning center.

During his time as an assistant coach at Kansas, Mohajir was on the staff that beat UCLA in the 1995 Aloha Bowl and had a final ranking of No. 9 in the AP poll. He was also a football ticket sales and promotions account executive for Kansas Athletics and earned a master's degree in sports management at KU in 1997.

Mohajir graduated from Arkansas State University with a major in sports management and a minor in marketing in 1993. He was a starting safety on A-State's football team.

Mohajir is married to the former Julie Hammond and they have two daughters, Maria (14) and Molly (12), and son, Marco (7).
